From

The Inam Superintendent in Mysore, Bangalore

Letter No. 70. Dated 30th November 1906.

The Deputy Commissioner of the Hassan District reported that the Swamiji of the Sri Subrahmanya Matt prayed for the supply of Sandalwood and Cardamoms to the Matt at and Temple at Subrahmanya which was stopped since 1898 and requested sanction for its revival as the supply of these articles was purely for bonafide purposes. The Inam Superintendent who was requested to forward the Inam Settlement papers connected with the case

Note Continued,

The Deputy Commissioner was requested to report whether the Supply of ~~Sandalwood~~ Sandalwood and Cardamoms to the Matt and Temple at Subramhanya was made from the Sum of Rs 2000 allotted for the Banahizan Sautarpane together with a Statement Shewing the quantity Supplied for 10 years preceding the year 1898

The Deputy Commissioner now reports that only the bills for

three years viz 1889-90, 90-91 and 91-92 are available, from which it is observed that the cost of 10 maunds of sandal-wood and ½ maund of cardamoms for equal distribution to the matt and the temple, was being met from the sum of Rs 2000 allotted annually for the Banashagar Santarpane, and that no other expenses on the subject are forthcoming in his Office - He also states in his letter no 21 dated 5th October 1906 that the supply of these articles was stopped since 1898 but that the reason for the same has not been assigned

is requested to include the cost-
of 10 measures of Sandalwood
and ½ measure of Cardamom,
and as the Dy Comr thinks
that the supply of these articles
is very necessary for worship
in the temple and in the matt,
may the Dy Comr be asked to
include the supply from the
next year in the list of provisions to be

The Swami requests

Muzrai Secretary's remarks:-

The annual Barahazar Santarpane at -- Subrahmanya in the South Canara District is an institution of a very old date and a sum of Rs. 2000 is - provided on that account in the Muzrai Budget. This is stated to include the gift of 10 maunds of sandalwood and 1/2 a maund of cardamoms ~~made~~ in equal shares annually to the temple and the Matt at that place. - The annual provision of Rs. 2000/. made for the above purposes used to be completely expended every year & and sometimes used to be exceeded. In 1898 however, - owing to the visitation of plague, the numbers attend -ing the Santarpane began to diminish considerably, - and it was directed by the Muzrai Department that - only as much as was actually required should be expend -ed ~~on~~ on account of the Santarpane. In pursuance of those orders the grant of sandalwood and cardamoms seems to have been stopped. This was clearly a mistake. These articles are very necessarily required in the

GPB—3,000—22-6 06

performance of the services in the sacred temple at Subrahmanya and in the Matt, which is also an institution of great antiquity, and the Deputy Commissioner reports that they were regularly supplied year after year to those institutions up to the year 1898. The accounts of the Barahazar Santarpane for the years 1889-90, 1890-91 and 1891-92, which have been received with the Deputy Commissioner's letter, shew clearly that sandalwood and cardamoms were supplied to the institutions in question in those years. The cost of 10 maunds of sandalwood is put down at Rs. 87-8-0 and that of 1/2 a maund of cardamoms at Rs. 20 and 22. The total annual cost comes therefore to Rs. ~~109-8-0~~ 109-8-0, and allowing for increase in prices, it may be taken for the future to be about Rs. 125. per annum.

The cost now incurred for several years past after the advent of plague in connection with the Barahazar Santarpane is between Rs. 700 and 800 a year, and the additional cost involved in the grant

Muzrai Secretariat. | File No. of 190

of the usual supply of sandalwood and cardamoms will be well within the Budget provision of Rs. 2000. The supply of these articles may therefore be sanctioned for the future. The Deputy Commissioner may purchase these articles from the Forest Department and have them sent to Subrahmanya along with the provisions taken for the Barahazar Santarpane every year and charge the cost to the Santarpane allotment of Rs. 2000.

The arrears of the past years cannot be sanctioned, the Deputy Commissioner also being of the same opinion.

Submitted to ~~the Dewan~~ the IInd Councillor. 29

only the quantities

of provisions to be

supplied, on account of the Sanctorum

are mentioned

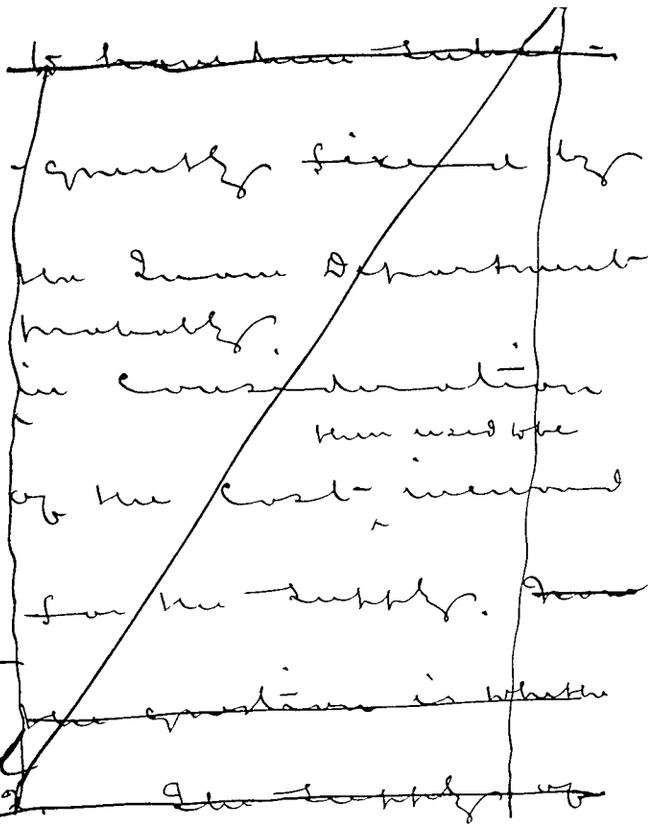
and not the amount to be expended.

The supply of small quantities of sandalwood and

Cardamoms is also provided for in the Samnads.

The ~~amount~~ of Rs 2000 expended

It is not known how a Cash Jaadik of Rs. 2000/- came to be fixed on account of the festival in question - If it was fixed at the Inam Settlement, I am to request that the papers on the subject may be kindly forwarded to this Office for reference



The supply of Sandalwood seems somehow to have been stopped since the year 1898, and the question now for decision is whether the cost of Sandal-wood was originally intended to be included in the allotment of Rs 2000, or whether it was being paid as an additional charge

Sir,

In reply to your docket No. 3657 dated 26th January 1907 regarding the Supply of Sandal wood and Cardamoms to the matt and temple at Subramanya, I have the honour to State that the Amildar reports that he was able to find only three bills viz of the years 1889-90, 1890-91, & 1891-92 showing the quantity of these articles supplied to the institutions previous to the year 1898. It will be seen therefrom, that the Cost of 10 maunds of ——— of Sandal wood, and half a maund of Cardamoms, for equal distribution to the temple and matt at Subramanya, was being met out of Rs 2000/- allotted annually

for the Barahazar Lan
tharpane.

2. No other references are forthcoming in this office, and the vernacular papers ending with Senior Assistant Commissioner's yadi no. 506 dated 13th March 1907 are enclosed for reference and kind return when done with.

The annual Barcharzas

Santarpane at Subrahmanya
in the South Canara District
is an institution of a very old
date and a sum of Rs 2000p
is provided on that account
in the Mysore Budget This
is stated to include the gift of
10 maunds of Sandalwood and
½ a maund of Cardamoms in
equal shares annually to the
temple and the Matt at ~~the place~~ Subrahmanya.
The annual provision of Rs 2000p
made for the above purposes
used to be completely expended
every year and sometimes used
to be exceeded. In 1898, however,
Owing to the visitation of
Plague, the numbers attending
the Santarpane began to
diminish considerably, and

was directed by the Muzrai Department that only as much as was actually required should be expended on account of the Santanpane. In pursuance of those orders the grant of Sandalwood and Cardamoms ~ seems to have been stopped, which was clearly a mistake. The Swamigalavaru represents that these articles are very necessarily required in the ~ performance of the Services in the Sacred temple ~~Matt~~ at Subrahmanya ~~and in the Matt~~ & in the Matt ~~,~~ which is also an instn of great antiquity. ~~The Capoli of Inam Settlements who was requested to furnish details~~ if any ~~of the Cash Jasdik of the Accts referred to, in View to ascertain whether any express provision was made for the Supply of Sandalwood and Cardamoms,~~ reports in his letter ~~a Read~~ above, that no mention is made ~~of~~

~~The Jasdik does not find an entry~~

The Deputy Commissioner reports
~~that~~ in the ~~letter~~ correspondence
the Sandalwood & Cardamoms
read alone, that ~~they~~ were
regularly supplied year after
year to those institutions
up to the year 1898. The –
accounts of the Barahazar
Santanpane for the years
1889-90, 1890-91 and 1891-92, which
have been received with the
Deputy Comm's. letter, shew
clearly that Sandalwood and
Cardamoms were supplied to
the institutions in question
in those years. In these circs.
the Govt. are pleased to direct
the supply of these articles,
as noted in the margin,
to the Math and temple.

{ 10 maunds of Sandalwood
{ ½ a maund of Cardamoms –

at Subrahmanya in equal

shares for the future. The

cost of 10 maunds of sandal-

wood is put down at ~~Rs 87-8-0~~ in the accounts of previous years

1890-91 & 1891-2 at Rs 87-8-0

and that of 4½ maunds of

Cardamoms, at Rs 20 and 22.

The total annual cost ~~was~~

was therefore ~~Rs 110/-~~ in those years about Rs 110/- ; ~~but~~

~~that the rates for Sandalwood~~
